Windermere

At the beginning of the week we were welcome  
at Ambleside. The weather is  
still & clear  
very about break of day  
it is cold by now  
you are feeling a  
little nippish a  
week.

Windermere is the largest and best known of the English lakes, being 10½ miles long, and nearly one mile wide at its greatest breadth. It is, in the summer season, a very popular place, the boating and fishing being excellent and various steamer trips always running. Bowness, Windermere, and Ambleside are the chief towns on its banks.
